Title: Research Grant for a Master degree holder – Safewalk (1 vacancy)

Reference: SAFEWALK - 01179400 – BI – 04/2026

A call for applications for 1 (one) research grant(s), within the scope of the R&D project **"SAFEWALK - Robotic Pyramid combining Bio-inspired controllers, Artificial Intelligence and data for Real-Time Fall Prevention"**, from the Center for Electromechanical Microsystems, ref.ª **NORTE2030-FEDER-01179400, funded by the Northern Regional Coordination and Development Commission | CCDR-N**, through the **Portugal 2030 Framework Programme, Northern Regional Operational Programme | NORTE2030**, under the following conditions:

Scientific Area: Biomedical Engineering.

Recipient category: The scholarship is intended for Masters degree holders in the field of Biomedical Engineering.

Identify the type(s) of scholarship to be awarded:

a) **Degree courses:** Research grants (BI) are intended for I&D activities by students enrolled in an integrated master's degree, a master's degree or a PhD.
b) **Non-conferring degrees courses:** They may also be intended for I&D activities by graduates or masters enrolled in non-academic degree courses.

Requirement for granting the fellowship:

- The applicants may apply without prior registration in the course for which the fellowship is open. The requirement to enroll in a degree course or non-academic degree course will be verified on the date of contracting the fellowship;
- Only fellowships whose selected applicants present a valid proof of enrollment in a degree course or non-academic degree course will be contracted, according to the type of the fellowship, issued by a Higher Education Institution, indicating, respectively, the academic year or its duration (star and term).

Applicants' eligibility: Candidates who meet the conditions set out in Article 9 of the Research Grant Regulations, No. 950/2019, of 16-12-2019, of FCT I.P. are eligible.

Nationals or citizens of other European Union member states, third-country nationals, stateless persons, and citizens with political refugee status are eligible to apply for this competition.

Candidate eligibility requirements:

Candidates must hold a Master's degree in Biomedical Engineering - Specialization in Medical Electronics at the time of application. Proof of completed academic qualifications, including those resulting from academic degree recognition processes, is required for the contract to be finalized.

Preferred Requirements:

- Academic merit demonstrated in the applicant's prior educational background;
- Specific experience in methodologies or techniques related to the project;
- Demonstrated motivation and stated interest in the relevant scientific field.

Workplan and objectives to be achieved:

The work plan consists of the following phases/tasks:

a) Planning and implementation of protocols for collecting gait data during activities of daily living (ADLs) and in situations involving induced falls, including the preparation of experimental conditions and monitoring of data collection sessions.
b) Development and validation of tools for estimating indicators of gait and balance, fatigue, and metabolic cost, as well as for recognizing gait patterns. Tools will also be developed to assess the risk of falls, quality of life (QoL), and well-being, using available data and indicators.
c) Preparation of a scientific publication related to the project's results.

Note: The work plan should aim at consolidating the scientific training of the research fellow in the framework of the course conferring a degree or academic diploma.

Applicable legislation and regulations: Research Fellow Statute (EBI), approved by Law nº. 40/2004 of August 18, in its current wording and FCT Research Fellowship Regulation, approved by Regulation nº 950/2019, published in the Diário da República, 2nd series, of December 16, 2019, in its current wording, and Scientific Research Fellowship Regulation (RBIC) of the University of Minho, approved by order nº 4998/2025, published in the Diário da República, 2nd series, nº 81, of April 28, 2025 Amended and republished through amendment statement no. 634/2025/2, published in the Official Gazette, 2nd series, no. 132, of July 11.
